

104 W. GOLDEN LANE RENOVATION UPDATE

"Then He took the five loaves and the two fish, and looking up to heaven, He blessed and broke them, and gave them to the disciples to set before the multitude. So they all ate and were filled, and twelve baskets of the leftover fragments were taken up..." ~Luke 9:16-17

As FCS has concluded another school year, this time emphasizing on our founding verse: "I will walk in FREEDOM for I have sought out your precepts" (Ps. 119:45) we can't help but note God's clear presence at work to cheer and to guide! We believe now, as firmly as ever, in the importance to keep traditional Christian education as affordable and available as possible to every family God leads to partner with us.

Accordingly, in 2020 it became clear that we needed to become our own entity and purchase our own property @104 W. Golden Lane which has now gone through much transformation through the efforts of many hard-working and skillful people. We couldn't be more excited thinking about all the beautiful ways we'll soon be able to utilize this facility to teach individuals and reach families — prayerfully as soon as this new school year!!

We're now at a critical juncture in needing to preserve momentum on our renovation progress and close the significant funding gap needed at the present. We are trusting in God our Provider to do what He does best and we invite you to take part in blessing our current and future students in whatever fashion you are able to contribute! Donations of any amount are greatly appreciated and are tax deductible!

There's still the option of participating in our paver campaign as an individual or business. More info here →
